AJIB BANK

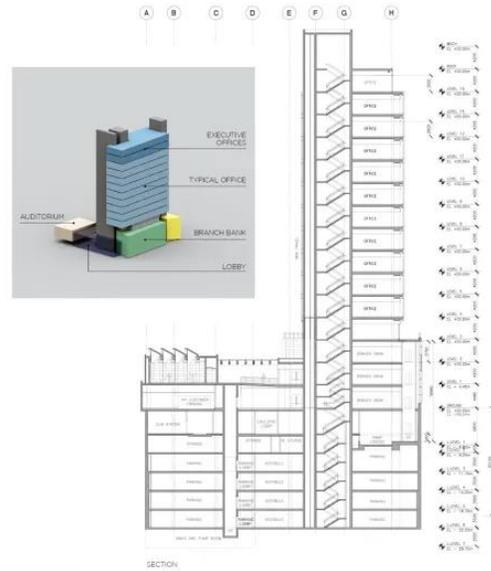

HEAD QUARTER & BRANCHES

AMMAN

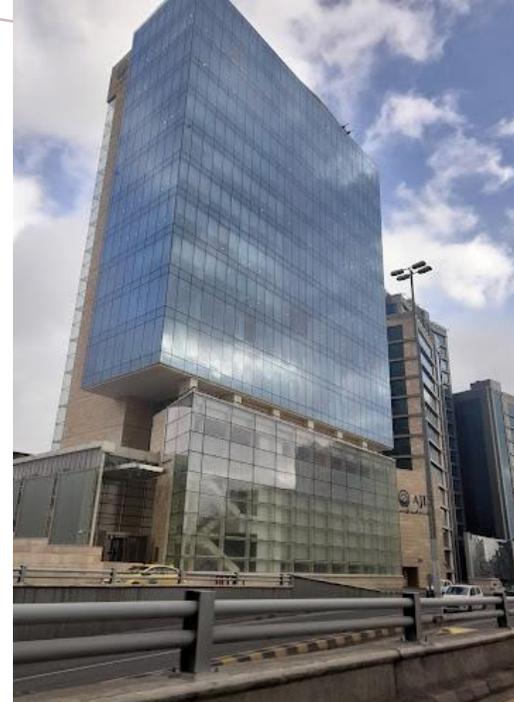

2008-2012

PROGRAM/ZONING

The project has three separate use zones: the tower with its office and banking spaces, the courtyard with its special function areas, and the below grade parking and loading areas. The tower is also separated into three distinct zones: the Lower Tower contains the Branch Bank and Main Branch services, the Middle Tower houses the various administrative offices, and the Upper Tower is designated for executive, subsidiary and related support functions.
